You can add Maven Reward services to any treatment or service any day of the week.

You may give Maven Rewards to your friends and family members.

From time to time we will offer bonus points on specific products and services which will assist you to get Maven Rewards faster.

Maven Reward points are valid for 24 months from the date they are earned.

What you can't do with your Maven Rewards

You don't earn points on the purchase of gift vouchers – Maven Reward points are earned by the person redeeming the voucher.

You may only choose Rewards from the Maven Rewards menu – For Me. Rewards points cannot be exchanged for cash or other services.

Maven Rewards points cannot be transferred to another person.

If you book a Maven Reward service or treatment and don't show up to enjoy it, you will forfeit the points.

What happens if I don't use my points?

Maven Reward points are valid for 24 months from the date they are earned. Once expired, points cannot be credited back to your account.

How do I check my points balance?

You can ask your stylist/therapist anytime to check your balance for you.
